January 4, 2010

Dear Friends of the Alzheimer's Association,

On March 13, 2010 the Greater San Fernando Valley Regional Office of the Los Angeles Alzheimer's Association in conjunction with the Interdisciplinary Gerontology Program at CSUN is presenting the 9th annual renewal day for caregivers entitled:

"This Day's For You"
(A Caregiver Wellness Day)

In order to make this day a success, we are again including an area for exhibit tables to offer a full array of resources for all attending. We will be located again this year on the campus of California State University at Northridge (CSUN). You will be co-located near the main program. We have limited space for our exhibitors. This will necessitate an early response in order to secure your table.

In addition to your table, your company will also be listed as a contributor in our Caregiver Resource Folder.

We look forward to having you as an exhibitor. We expect approximately 160 caregivers to attend. You will be expected to be there from 8 A.M. to 12:00 P.M., with setup time between 7 A.M. and 8 A.M.

For All You Do and Have Done in support of caregivers and their loved ones, we salute you.

Sincerely,

Jeri Lynn Posner, M.A., LMFT, PGCM
