# ABC's of Estate Planning Take Control of your Future!

Presented by Vicki Rubin-Howton,  
Trusts & Estates Attorney

Learn how to take control of your future by:

- Using a Revocable Living Trust to avoid probate court.
- Using an Advanced Health Care Directive to decide and control how your health care is administered when you are unable to make those decisions for yourself.
- Using a Pour-Over Will and Revocable Living Trust to create guardianship and conservatorship provisions without going to court.
