

memories in the making[®]

a fine arts program for people with dementia

Memories in the Making is the signature art program of the Alzheimer's Association, Orange County Chapter. For many years Memories in the Making has been recognized locally for its ability to elevate the quality of life for people suffering from Alzheimer's disease and related dementias.

- Art offers a non-verbal alternative to verbal communication through pictures
- Bridge the gap between those with dementia and their loved ones and caregivers
- Become a trained art facilitator
- Start a program at your facility
