Resident Spotlight Mary Bohannon

Mary Bohannon was born March 27th, in Cleburne, Texas, it's a county seat just outside Dallas, Texas. She was the baby of 11 children.

She lived on a 15,000 acre farm, with no running water, electricity and gas. When she turned 12 years old, that is when the "conveniences" were introduced into her home.

Mary's Dad was high on education. He was educated himself; he was an engineer, a rural mail carrier and carried mail by horse and buggy.

She walked 2 1/2 miles to school. In order to get to school she remembers having to cross a bridge, sometimes the bridge was flooded and she had to cross the bridge with water up to her knees.

She came to California, because 2 of her brothers were Engineers and needed her to keep house for them. They built the canals in the Imperial Valley to water the crops for irrigation.

She worked part time on weekends as a waitress for friends that owned a coffee shop. A young gentleman that she waited on asked her out, started dating and the rest was history. She got married from the Justice of the Peace in her best suit and had a "Double Wedding Ceremony". She married Thomas Jenkins Bohannon, but, his nickname was "Doc". They had 5 beautiful Children. 3 Girls and 2 Boys.

They lived in Lynwood, Norwalk and Downey area. She and her husband, bought lots, built spec homes and sold them. The word "can't" was not in her vocabulary. There's nothing I can't do. All you have to do is have the will to do it and you can do anything.

Her husband "Doc" passed away in 1993. Later, Mary met a man that taught her the ropes about Property Investing. She was her own "Boss" and bought property. That is how she came to San Clemente. She loves the climate and the beach.

She is a new resident of San Clemente Villas by the Sea, and, we are happy to have her. She enjoys the Camaraderie of the Residents, the Activities such as Bingo, Dancing with "Gentleman Chris the Dancer" and the delicious food in the dining room.

Please welcome Mary Bohannon to the San Clemente Villas.

October gave a party;
The leaves by
hundreds came
The Chestnuts, Oaks,
and Maples,
And leaves of
every name.
The Sunshine spread
a carpet,
And everything
was grand,
Miss Weather led
the dancing,
Professor Wind
the band."

- George Cooper,
October's Party

Autumn has arrived, and as the air turns crisp and the days grow shorter, we celebrate the harvest with some delicious new additions to our menu, and plenty of festive seasonal fun. Our Oktoberfest party will be held on the 1st of October from 2 to 4 pm. There will be music, and plenty of fun. We also celebrate our 8th Anniversary this month with a special Surf and Turf Anniversary Luncheon on October 11th. Our official "Anniversary Gala" will be held on the 14th from 6-8 p.m! We'll celebrate "Apple Day" on the 21st with homemade apple bread and Julian Apple Pies available for dessert. Yum! Finally, we'll end the month with a traditional Halloween festival to kick off the Halloween Weekend on Friday October 29th. There will be a parade, costume contest, treats and prizes! I'm looking forward to the coming holiday festivities here at San Clemente Villas by the Sea, and I hope that you and your family will enjoy all of our special events with us. The more the merrier!

Welcome new residents in September
Don & Virginia Miller from San Juan Capistrano
Roy Gass from Capistrano Beach

Employee Spotlight Esmeralda Lopez

Esmeralda Lopez

Our shining star this month is Esmeralda Lopez. Esmeralda joined the San Clemente Villas team as a food server in 2009. In July, Esmeralda started her new position as the weekend front desk receptionist. She welcomes our visitors and residents with her contagious smile on Saturday and Sunday mornings. During the week, our residents will find Esmeralda in the dining room. Esmeralda is a joy to work with, and is always willing to help out and assist with activities over the weekend. Esmeralda is a San Clemente native, born at San Clemente Hospital (now Saddleback) in 1990. She was raised by her grandparents and went to Ole Hanson Elementary School. Many of our readers will know Esmeralda's grandfather; Alfred Arellano, who worked at the San Clemente Golf course for over 30 years.

When Esmeralda is not working at the Villas; she is busy with her four year old son, Daniel. Just mention his name and Esmeralda will give you one of her infectious smiles. Taking care of Daniel is not her only priority off aside from her work at The Villas. Since her grandparents raised her in the lovely village by sea, Esmeralda spends time with them each day; bringing Daniel along to visit his great grandparents. Even with her busy schedule for a this young working mom, she even finds time to attend school. and will be receiving her GED soon. Cosmetology is next on her agenda, and she hopes to someday open a salon in her hometown of San Clemente.
