October 12, 2010 8:30 am – 3:30 pm

**for a new workshop for Nurses, RCFE Administrators, Behavioral Sciences Professionals,
Nursing Home Administrators, Certified Public Accountants and Attorneys**

Sex, Drugs and Money: Issues in Eldercare

Explore and address some of the most difficult issues that arise when caring for older adults with dementia, including expressions of sexuality, management of difficult behavior and the potential need for a court-appointed conservator.
