

# OPEN HOUSE

## *Safety & Dementia*

### About the Workshop

Learn how to safely care for your loved one with dementia.

The presentation will cover:

- Driving safety – when to give up driving when a loved one has dementia.
- Take a 30 second test to identify your fall risk.
- Learn how to properly move someone from the car, bed or floor without hurting your back.
- Receive a home safety checklist.
- Disaster preparedness – Caregivers receive information & resources on how to effectively cope with an environmental emergency.
- Preparation for hospitalization – What you can do now to be prepared for hospital visits or stays.

**Speakers include:**

Debbie Ricker – The Driving Center  
Carol Fracalosi – Magnolia Physical Therapy  
Celine Keeble – AFSC
